

AUSTRALIAN BAPTIST INSURANCE SCHEME
RISK ASSESSMENT FORM

The purpose of undertaking a Risk Assessment Analysis is to assess the risks (if any) involved in an activity, determine how those risks can be eliminated and how we can best be prepared to deal with an incident if it does occur.

This Assessment should be prepared at the time of planning, and submitted to the Youth Co-ordinator prior to the event. The form should then be held on file.

Name of Constituent:
Event / Activity:
Date of Event / Activity:
Location of Event / Activity:
Event / Activity Co-ordinator:

Specific Task / Activity	Potential Hazards / Consequences	Resulting Injury	Control Measures
