Who are these Texans?

Chris and Heather Horton and family have partnered in the Tamar Valley more than 10 times in the past 13 years. They are both teachers in Texas and have big hearts for sharing hope through Jesus. They have many connections in the community and are always available to listen or chat about questions about life, faith, or the Bible. (Oh, and Chris loves all things fishing and sport. Heather prefers Tim Tams and a good chat over Earl Grey).

Heaven Dunn is the newest on the team. Heaven is a recent graduate of Texas A and M University @ Commerce. She looks forward to sharing life and faith, and meeting new people as she explores the area. She also is a lover of coffee.

Dempsey Horton , also a recent uni grad from TAMU-C will be working with children, youth, and young adults (18-25) over the next year at The Point Baptist Church. She plays guitar, enjoys basketball, and is excited to walk with young people as they grow in faith.
